

**1** **Thursday, September 18<sup>th</sup>, 2003**  
**7:00 p.m. - 9:00 p.m. (2 CE credits)**  
***Removable Partial Dentures: Frustration or Fascination?***  
**Dr. Larry Over**

Have partials gone by the wayside? No way! Come for a discussion that will include practical and time-honored tips that will make this challenging and versatile restoration more enjoyable for you and your patients.

**Downtown Athletic Club**

**5** **Thursday, January 15<sup>th</sup>, 2004**  
**7:00 p.m. - 9:00 p.m. (2 CE credits)**  
***Contemporary Imaging Techniques for Implant Dentistry***  
**Dr. Pete Benson**

Oral radiology has changed dramatically in the last decade. Dr. Benson will bring us up to date on changes as they relate to implant dentistry and will offer his perspective on the "digital revolution".

**Downtown Athletic Club**

**2** **Thursday, October 16<sup>th</sup>, 2003**  
**7:00 p.m. - 9:00 p.m. (2 CE credits)**  
***Treatment Planning Session for the Doctor***  
***PLUS Productivity Workshop for Financial Staff***

Part of dentists' daily decision-making process is fee consideration. This session will focus on the fees involved in the treatment planning of multidisciplinary cases. Separately, a problem solving session will be facilitated for resolving common yet significant financial impediments to treatment.

**Downtown Athletic Club**

**6** **Friday, February 6<sup>th</sup>, 2004**  
**8:00 a.m. - 3:30 p.m. (6 CE credits)**  
***Isn't It Wonderful When Patients Say "YES"?***  
**Dr. Paul Homoly**  
**ALL TEAM MEMBERS INVITED**

Bring your team to hear one of the most sought after speakers in dentistry today. You will all leave the seminar energized, revitalized and ready to make your practice grow!

**Eugene Hilton & Conference Center**

**3** **Friday, November 14<sup>th</sup>, 2003**  
**8:00 a.m. - 3:30 p.m. (6 CE credits)**  
***Implant Dentistry: A Simplified Approach***  
**Dr. Gary Morris**

Ever wonder how to make your implant dentistry more predictable? Participate as Dr. Morris looks at pretreatment radiographs and/or models that members bring and then shows a nearly identical patient he treated.

**Downtown Athletic Club**

**7** **Thursday, March 4<sup>th</sup>, 2004**  
**7:00 p.m. - 9:00 p.m. (2 CE credits)**  
***Retirement Investments: Strategies for Changing Times***  
**Mr. Howard Rochestie**

Everyone was an expert in the nineties as investments went up, up, up. Things have and are continuing to change. Bring your questions and learn from the experience that Mercer Global has to offer.

**Downtown Athletic Club**

**4** **Thursday, December 11<sup>th</sup>, 2003**  
**7:00 p.m. - 9:00 p.m. (2 CE credits)**  
***Medical Emergencies in the Dental Office***  
**Dr. Tim Welch**

There is an elephant in the room and no one is talking about it. The aging of our adult population requires us to be up-to-the-minute on emergency management of the dental patient.

**Downtown Athletic Club**

**8** **Friday, April 23<sup>rd</sup>, 2004**  
**8:00 a.m. - 3:30 p.m. (6 CE credits)**  
***Direct Composites in a World of Bonded Ceramics***  
**Dr. James Dunn**

Are the new composites competitors for ceramic? Dr. Dunn will demonstrate the art of direct dental restorations and the latest information on bonding systems.

**Downtown Athletic Club**

**9** **Friday, May 14<sup>th</sup>, 2004**  
**8:00 a.m. - 3:30 p.m. (6 CE credits)**
